

My entire family listens to K-LOVE radio in Elgin on 94.3 FM.
K-LOVE provides the contemporary Christian music that we enjoy,
and we love the commercial-free format. There is no other station
that provides the same music and format in our area. If K-LOVE were replaced by
an LPFM broadcaster, we have no alternative to tune to.
K-LOVE provides positive, family-safe programming with an uplifting
message. Our community would lose out if we lost it. My family
supports K-LOVE on a monthly basis. We believe in it that much.
K-LOVE provides music that our children enjoy without some of the
junk that comes from other stations. Because of that, K-LOVE stands
alone in our community, and it would be a shame if it it was
displaced. Please allow us to keep our K-LOVE.
